Port Tobacco May 7. 1835

Charles Howard Esq.

Sir I rec.d yours of the
4.th Inst. and upon examining the Law refered
to I find you are correct in erecting it you
wish me to see the Servants and get them to
designate some place when they prefer removing
I have to say that I am unacquainted with
the Servants and am very much engaged at
this time therefore It is not convenient for
me to get the necessary information but
as soon as you provide a fund sufficient
to defray the expenses of removing them I
will forthwith proceed to discharge my
the duty imposed on me by the late law of
our State —

Respectfully your obt. Servt.
Jno. B. Lawson
