Annapolis. May 19th 1835.

Dear Sir,

Returned last evening from Belle air whither I had gone on saturday for the purpose of placing my son Lingle under the care & tuition of Mr. Davis - Expected to be away two days from the duties of my agency: but the case was surprising -

Being too late this morning for the Steamer Patuxent, I was obliged to take the Maryland; & shall leave this evening in time to be back for Charles County - Dr. Martin, of Round Hill, on Board the Maryland, also handed me a very interesting letter from one of our Emigrants by the last packet - Nathaniel Greene Harmon, whose Father was a Soldier of the Revolution & fought under the command of General Greene - Harmon is now at Cape Palmas - His letter is very interesting, & must do, that I took a copy of it - which I shall send in to Mr. Hughes with other notes, for publication. -

Mr. Hughes has published thirty copies of your Report to the Legislature, together with its documents & the appendix to the Society's report including the maps - I have kept ten copies & Mr. Hughes will send the balance to Baltimore to the care of Emory & Starrs Bookstore
