Dear Sir

The Schoon Harmony came to anchor in our harbour on the evening of Monday 23rd inst., having on board the complement of emigrants & cargo as per document from the Sely Secretary. Also Mrs Mc. Allister as Cabin passenger. The emigrants & most of the cargo are already landed all in good condition. There will be no impediment to their stocking at once into the soil. The land which I have laid out for them is of the very best in our vicinity, immediately contiguous to that occupied by the emigrants per the Bounty & not half a mile from the house in which they are now located. They appear to be extremely well pleased with their prospects & present, & from their appearance, the favourable accounts of them from the Agent & the attestations of Capt. Pascal & the officers of the Harmony of their conduct while on board: I have little doubt but they will be a very important acquisition to the Colony. Rest assured that no pains shall be spared to render them contented & happy.

I was favored with a letter from Mr Howard the then acting Cor. Sec. respecting Mrs & Mr. Allister, stating

Copy of Journal of Sch. Harmony on a Voyage to Liberia, containing the Register of Births, Marriages, Deaths, &c. of the Emigrants, previous to their leaving the U.S. and a short History of a remarkable Fever on board the Vessel, &c. &c.
