To Brothestation Eg-?

Concie montheste See ?

May down In about levering this place for the Commence of kning but little hope of galling in with a repelo homewood hound. I write a glie him Here ex this place to be forwarded by the Enterit opportunity -Conduntationer compile our to be limit. I know a long ofology

for bruity would see Dany limits. I know their you will

seems it when I promise you future Sitisfantin -I amund of Cope Polines on Christian Vlouded the Emiports Harbin popular alle in growth health after a tolwith m- hobill as opistunt. The Colony was quently healthy "If append proposes - I was quit mulls while there I would Com- to wit me Milson. of course I am extily much to give Colony: its questinal adminiment. Then had mountly her Something the a outstime with the outing, but the police was Litt a five days princions to any amiest! Lonecon at the mequest of Som Repense I have the author tothe Loven between the porties ander the old Council her. & affect hel suggestions as I duried would be conciliatory Variet. The all thing proctine was the course of all. the disturbance -On my way down I hope to be able to Stop it la problems " - terring agent of the Board of Moneyers, in morning of least as grant and aport of the State of affines it the Colony - money Circustances how amound within the last win months of important usture, but of this you will douttly mein room authorite information.
