Augusta March 11th 1842.

Mr James Hall—

Sir

Your letter of the 4th instant came to hand yesterday informing me that the Draft and letters intended for the Tubman family at Cape Palmas were still in your hands having failed to reach New York in time for the Brig Grecian— I regret the circumstance very much as these people will be greatly disappointed when Mrs Payne arrives without letters or money— upon reflection I have concluded not to loan out the amount of the Draft, but must request you to enclose it to Mr John Adams of the ~~Exchange~~ Union Bank of the city of New York, who I have instructed to cash it and make a special deposit and remit me the certificate— may I ask the favour of you, should a favourable opportunity occur of sending to Cape Palmas, to inform me by writing to this place untill the tenth of May, and to Frankfort Kentucky after that time untill from the first to the tenth of october— by so doing you will much oblige

Yours Respectfully
Emily H. Tillman

P.S. there is a small amount to my credit on the Books of the Society which I would be glad to have placed with the other funds so it may be sent together—
