Md State Colonisation &c

Sir,

Your letter of the 6th inst to the Secretary of the Navy, has been referred to this Bureau.

We have 16 bales of flannels & upwards of 800 barrels of bread, for shipment to Port Priaia - I was in hopes of sending these out by a Fehel sailing from the Eastward; but the owner declined the freight, having a full cargo provided - I await a his reply to a proposition made, occasioned the delay in replying to your letter.

I am anxious to send these articles, particularly the flannels, by the earliest opportunity that may offer - I am in hopes of getting them off before the period mentioned by you for the arrival of your vessel - We shall probably not have occasion to make any additional shipments for our agency on the Africa Coast before January next.

I am, very respectfully,
Sir,
Your obed't
