

Broomston Washington Co. Md
July 6th 1847

Dear Sir

I send you five dollars, our 4th of July Collection for the Colonization Society. It has been my pleasure for years to attend to this duty, for I regard African Colonization as the most important and interesting enterprise of our age; and I am amazed that we as Ministers of the Gospel manifest so little zeal in so glorious a Cause. If ~~we~~ every preacher in our Land would just take the trouble of asking, our 4th of July Collections would amount to ten of thousands annually.

Affectly
