Boris

Jacob Dorsey (The father of Boris) has just called on me to make some enquiry about a vessel that he has understood would sail in a few days to Liberia in Africa. I was not able to give him much satisfaction and at his request I write to you. I wish you would drop me a line saying what time the vessel will start when from &c. Jacob wishes to ^{know} exactly on as near as possible so that he can go down at the time of her sailing. Please write by the very next mail. The old man is very anxious and will feel greatly obliged to you. He says he knows you will not disappoint him.

~~So said Rep going~~ Jacob wishes to know if shall say anything to said Rep about going.

Very truly
Yours

Stephen Tallegian
