Walt. of the Dec. 1847

Gov. James Hall Esq^r,

Dear Sir,

The Journal for last month November, was left for me today, and I have directed the bearer, to call and get the October number for me, as there was none brought. If you can spare me a September number, I would thank you to send me one; the one that was left for me, has got mislaid, and as it contains matter of much interest, would be glad to procure another.

Respectfully H.
