

Philad^a March 17th 1848.
James Hall Esq. Baltimore

Dear Sir.

We have before us your letter
favor of 16th Inst. upon inquiry we find
that Palm Oil has been rather of slow sale
lately. Last transactions were at 40¢ per gal.
and presume about this rate might be
obtained for the lot you speak of, but
would require a short time to work it off.
However so much depends upon the quality
it might be advisable for you to send on day
& packages as a sample, when we would
be able to give you more definite information
respecting same. Very Respectfully
Yours
Mansfield & Co

The writer desires to acknowledge the Dr's
remembrance, and should be much pleased
to be of service to him.
