

P.S. If you are <sup>not</sup> prepared to give a simple & direct denial, or if any qualification must be made in the favorable statements I have made (which are not yet in print) it may save me serious inconvenience to hear as soon as possible - say by return of mail - as I am every day expecting the proof-sheets of what I have written - by mail. I am sorry to put you to the trouble, but you will excuse the interest I naturally feel, at least for the good faith if not the unerring wisdom shown in this enterprise.
