

Warper, Cape Palmas
June 25, 1850

By James Hall, Genl. Agent
Md. St. Col. Society

Sr. Sir:

Accompanying this letter, I send you the Accounts up to 1st July, 1850. The present season has been uncommonly unhealthy among the colonists. The weather has been colder than usual. We are now all well. Our season so far, has been tolerably favorable for palm oil. Rice we have in great abundance.

I have the honor to remain
Your Obedt. Servt.
