

Doctor La Hall

New York Oct. 7<sup>th</sup> 1850

Dear Sir,

Yours of the 7<sup>th</sup> Aug  
Came safe to hand. Your proposition  
meets my approbation. I

I should have writ  
ten to you before this but for the  
want of time. I would be happy to  
go out in the Packet, if I could be accom  
-modated. I would like to know what would  
be the difference of a cabin passage from  
that of a Steerage. ~~As~~ You will please  
let me know what time shall I be in  
Balt. with my family. I suppose it would  
be well for me to take out a little furni  
-ture such a few chairs a table &c &c

Yours Respectfully  
Henry Williams
