Dr James Hall

Dear Sir

We are preparing an Article for the January number of our paper, showing what has been accomplished by the good Cause during the present year.

I write to request your kind offices in furnishing us with the number of Emigrants sent to Liberia ^{by your Society,} in 1850, the total number thus far sent to Cape Palmas, how many schools have been established, roads laid out at your settlement and any other information you may have deemed to impart, calculated to aid us in our intended editorial.

Enclosed I send you an article of mine on the Commerce of Western Africa. I am anxious to reach Brothers for a truth - if not through the heart - certainly through the pocket.

In great haste

Very respectfully yours

Wm. Coppinger
