Respected Sir

Your favour of the 18th
Oct: has been thankfully received
with the reports which have been
very interesting: our desires to Emi-
grate to Liberia have been greatly
increased from the perusal of
those valuable pamphlets—

Accept our warmest thanks
for your kind attention to our
letter. We are satisfied that the
Committee were compelled to act
as they did and that they are
our friends— As it regards
Emigrating at our own expense
we are altogether unable our
circumstances being so bad &
each having a family.

Yours
94.
