

14. Unless houses are built for ^{more} immigrants, they will be apt to remain in the receptacles until followed by others, when they must be expelled - What remedy will be found for this?

15. Labor is scarce and a great distance off. Native building materials equally difficult to obtain. Some thought is requisite on this point.

16. As a means of getting in all of the Colonial Currency that is ~~about~~ in circulation, a portion of the effect in Government Store might be sold at Auction. Different Societies have large sums of Currency in their Treasuries say Three Hundred Dollars, how shall this be redeemed.

~~What~~ what shall be done with Old Cash on in store
