My Dear Dr.

As I left Ball.

this afternoon I recollected that I had put in the box wh. has a string round it, certain articles that I shall need on my voyage. It is the one you opened this morning. Will you do me the favor not to send it with the other boxes, but place it with my Carpet bags to go on the vessel that takes me. I write immediately on arriving, that you may not receive trouble ~~by~~ from my request - wh. might be the case were I to delay.

Very truly yours

Dr. Jos. Hall
