Dr. Sir:

A word to the wise is sufficient. Who steals our purse steals trash, but he that filches from us our — thunder robs us of that which we cannot silently submit to. — (vide Letter from Dr. Roberts (via England) in January no. of the Md. Col. Journal, not credited to the African Repository.)

In the next (March) no. of the Repository, we shall heap coals of fire on your head, in connexion with your articles on Regular Communication with Liberia, which may burn you.

Truly,
J. W. L.
