Rev. Mr. Ramsbo writes me
that the articles I sent him in June
last have never reached him; He
further says they were upon a
bill of lading for the "Harp" which
was lost off the coast: He had
a faint hope however that they
might still be safe because
a pen had been drawn across
that item upon the B/Lading!
which induced him to think that
they did not get on board, tho'
intended for the Harp: Will
you please inform me Sir, at
your earliest convenience if they
went by the Harp or some
