Dr James Hall

Dr Sir Rev H B Sherman who went to Africa in company with Mrs Crocker - and after losing his wife returned - writes me that "a large trunk was sent from Berkley (after Mrs Crocker's death) for Monrovia as I suppose) on board the Bark Shirley - care of A F Johns Baltimore" intended for Mrs Crockers friends - Miss Seyes thinks that Johns arrived in N York the middle of Oct last, and that the Shirley left all her cargo there, and I suspect that this trunk may be in the custom House there - Mr Sherman writes me that James Chadborne Morcay merchant Brooklyn N Y - will take charge of the trunk and pay all expences on it - I will write a line to Mr Chadborne to call on you, at Randall & Green & Sons Wall st about it - and as you know how to look for this stray trunk, better than any one else - I hope it may be found - and get reach Mrs Crockers friends -

Yours truly Wm Crane
