

the work will be done. There
is great need of general
information here on the
subject of Liberia, and I
wish you would send
three or four of the back
numbers of your Journal
to each of the members of
the Committee, and keep
up an occasional and
cheerful correspondence with
Capt Patten, stating the
great moral effect of the
gift of such a Bible from
America upon Africa &
upon the cause in the South.
This is a private letter not to be
printed.

Very respectfully
Your friend
