

I do not know whether he collected the \$100. or not.
He collected something, but I do not know how much.
I am inclined to think, however, the amount raised here
was very trifling.

Inquiry has been made of me several times recently
as to when the next Expedition would sail. There is a
family of Beasons here, relatives of the President I under-
stand, who are anxious to go.

Rev. John Laps.

Very respectfully yours,
David H. Henry.
