Dr James Hall

Dear Sir

I send a note from
the lady of whom I wrote some time since.
It was rec^d during my absence from home.
She is a plain, but most excellent lady, &
if thing can be done to gratify her wishes,
in the sending of her servants to Siberia,
a great good will have been accomplished.

I will thank you to give me all
the information you can as to the possibility
of having them sent by your Society, or
the Am Society, with the five or ten
hundred dollars which she may
save.

Please return me the note.

Very Truly Yours

James Hall
