My Dear Sir

Yours of the 15th is recd. —
and now I begin to entertain some
hope that the Elvira Owen will
make appearance in this port
somewhere in the course of time!
That is all I can dare to hope —
I rejoice that you are through &
have had a happy deliverance!
When I shall reach that happy
state — oh — how glad — how glad
I shall be!

I wish Br. Seys had
come by land. I want him here!

When we get a ship of our
own — will our troubles be less?

Any "last words" you may
desire to send to Africa — just send them
on here — we shall have an opportunity
to forward them!

James Hall M.D.,
Baltimore
Md.

Yours profoundly,
G. M. L. ain
