

I see that the Shirley is in, crippled.  
These are nice times to come upon the coast.  
We have had another snowy Sunday - some two  
or three inches only. I observe that it has  
been deeper further south, and I believe you  
escaped in New York.

When shall we see you back?  
With my profound respects to the Prince,

Yrs. truly  
A. M. D.
