My Dear Sir

Yours of the 8th is received.
I did not write you about the "end of
the adj. Animal" because I understood
Mr. Satribe to say, he would see you as soon
as he got home, & I knew it was no use for
me to "Come after the King." — As you have
not seen him "he goes" — Mr. Pinnys suggestion
was that we should pay the "old debt Compromised"
& that we should send the Hair claims to our
agent at Bassa for investigation. — But he
could not carry them! — Nothing was
done for "Old A. Blucher" — at least I
heard nothing of it. — My dear little after
you left

As to the Cora — I have my
doubts. The Ex. Com. at their meeting
Friday night, would not agree to send an ex-
pedition the 1st May — the doings of the
Board — the want of funds — &c. — de-
termined them. — Hence the matter rests
