

to write to those Miss. Soc. about their
fright. You can do better with them
than I can. — also with Mr. Seyes.

The Avondale — go — would that
air had her now! or could have her to
carry the houses! And all creation
beside — I feel there yet is room!

I inclose the Copy of letters
which you desire.

You say — "McLain \$244.87 Bank ^{1/2}/₁
Franklin Bank". You spindle. There is
nothing such thing on our books or of.
I trust therefore it does not mean me.

There — I have gone thro with
your letter. Would that every thing
else which presses just now, could be
gone thro' with as easy. I tremble
in prospect of the Cora's. 000 — for our Bank
here is useless just now — as generally! — Do
you want to borrow any money? Tell me what
I will do — give you one note — you endorse it & get
it discounted, & you take half & we half! We shall
have some money after the May! usual sails —
Dr. Hall
W. McLain
