Colon. Office, Boston, March 10. 1856

Dr. James Hall.

Dear Sir.

If you do not know already; as you probably do, please learn the contents of a letter from Joseph R. V. Johnson, written at Portland, March 1, to Rev. R. R. Gurley, about merging your Maryland Ship in a line of Propellers. And please compare that letter with a letter from Thomas N. Barr Esq to George Law, published in the Philadelphia Colonization Herald for Jan. 1856. Having meditated, please tell me, and whomsoever it may concern, what is "in the wind," and who is at the bottom of the business. By all this, you will much oblige

Yours, as ever,
Joseph Gray
