

as to the plans & measures now
to be taken. The Ex. Com. has been
led to believe that the month
of August is very favorable for
out door work of any kind in
Siberia & that the vessel will
reach there in time for the
house at Monrovia to ^{be} put up
in Aug. so that the Empts. can
occupy it for at least 4
months of their acclimation,
which will be a great advantage. From
all our experience, we think the
presence of Mr. Seys will be
of vast advantage in putting up
the buildings & also in fixing
for the experiments which
must be made interior of Bassa
or we cannot keep pace with
the New Jersey Soc. — or stand
any chance at any future
time of getting any of that
state money of theirs. In
addition to this we want Mr.
