Dear Sir:

Your letters per "Lora" were
duly received. Doubtless ere this will
reach you, you will have received some
information respecting the outbreaks and
troubles of recent recurrence here. ~~It~~

To undertake in this communication
to give in detail, all the particulars incident
= al to the subject of the troubles in question, would
be a task of no inconsiderable nature; and
I shall simply touch a few of the important
features of them, in order (as has been usual
with me) that you may know how things are
going on in our little State. ~~and~~
