

and proper, but we have not  
I think, implied, more in the  
way of conformity to the  
New Jersey plan (if indeed  
there be any such) than that we  
will plant an interior settlement  
to test the climate. Certainly  
nothing more was intended.  
I request exceedingly that any  
member of the Board of Directors  
should deem their ~~their~~ action  
dictated from this office,  
& especially one so highly  
influential as yourself.  
The expense of such settlement  
may expose us to some
