I have rec^d another letter from Mrs Mary Sharp of Winchester - Tenn, in reference to the emancipation of her slaves, & their departure for Africa. Will you have the kindness to inform her what the prospect is - She is anxious to hear from you, & it is her wish to determine the question soon, as her health is precarious, & that wish may be thwarted if postponed until after her death.

Much success to your good work.

Yours Truly,

Jas B Taylor.
