D^r Sir,

I told my friend M^r Vermont (the French Consul at this port) that I would be at the office at 12 o'clock to-day, and invited him to call there with a gentleman who desires to make himself acquainted with our Colonization operations.

I would not mind the weather were I not too unwell to venture out to-day. Will you please to make M^r Vermont, should he call, this my apology for not meeting him; and also to give him copies of our Report of 1850, and the subsequent ones; as well as all such other information as we may desire, I oblige

May 1st 1856

D. J. Hall

Yours truly
