My Dear Sir

My opinion is that you are at Capon — or that you are coming here this P.M. or else I should have heard something from you! Not that there is any thing special to say — but generally speaking "in the course of human events" it is time that I should have a letter from you.

Can you say — will the Shirley go to Siberia sometime during this or next month? The "Meridi" (Z. & P.) is advertised to have "early dispatch" — & if the Shirley will not go — I want to send a little matter or two in the "Meridi."

I have nothing of special interest to say — only that we at home are all well
