Colon. Office, Boston, Aug. 29. 1856
Dr. James Hall
Dear Sir

I herewith enclose to you
Dr. Hays's reply to your question,
to which he has added some
answers to questions which
you did not ask. By the
aid of his wisdom and your
own, I hope the emigrants
will have good water, and
enough of it.

This morning I had a letter
from Dr. Luginbell, who is back
again at the office. I hope
he will be able to stay there.

The Brig Water-witch is to sail
from this port for Liberia Sept. 6.

Yours, as ever,
Joseph Tracy
