Colon. Office, Boston, Oct. 10. 1856
Dr. James Hall.

Dear Sir

I have received yours of
Oct. 8. and done your errand, and
enclose the card.

The machine intended for
you has been sold to somebody
for a ship at Baltimore, supposed
to be your own ship, till the bar-
gain had been too far completed
for backing out. Another cannot
be made in season for the steam-
er of Oct. 18, and therefore you must
wait till Oct. 25, when it is to be
shipped without failure.

I will speak to the Trustees about
the Tobacco.

Very truly Yours,
Joseph Tracy
