Dr Sir

Your favor of the

13th ult was received during my absence from home. I take the earliest opportunity of saying, that we are happy to know of the increased facilities for promoting the interests of African Colonization, & of African missions, which your new vessel will furnish. We shall be expect to send our missionaries & goods by her, whenever it becomes needful to make shipments.

We shall probably desire to send one or two boxes by her, the first voyage. I expect to be in Baltimore in a few days, & will make it my business to see you.

I trust you will find your "last" contemplated voyage safe & pleasant.

Very Truly,

Jas. B. Gayles
