New York City,
Nov. 6th 1856.

Dr. James Hall, Baltimore, Md.

Dear Sir,

I learn through
Ex. Gov. L. B. Pinney, that you have the
management & control of the Libinian
Packet, now under construction and
about to be launched at Baltimore.

The object of this communication
is to inform you that I am willing
to take the command of the Emigra-
tion ship to Africa, to which region
I have been on different occasions
in our ships of war, and when I
remained as Master & Navigator
of a "Fifty gun ship," the Frigate
"United States," for a long period
