

arise, I shall have the pleasure of seeing
you at the appointed time.

I deeply regret to learn by
your letter that some bodily injury
has befallen our most worthy President
Mr. Latrobe, in whose fortunes, private
and official, I feel especial interest.
Not knowing precisely the state of his
health, I must beg of you, at the first
suitable opportunity, to express to him
my particular concern at his misfortune
and my hearty wishes for his speedy recovery.

Believe me

Very truly yours
