

duration which did not cause him, however to keep his bed more than a part of the day during the attack.

The rest of us, and he until attacked on the 3d inst as above, have been in excellent health and spirits and have succeeded in building with our own hands a hewn log Church termed "Union Church" 19ft by 17ft which will answer a while for a school room and for divine service.

The Surveyor is here running off our lots and if our health continues we will make vigorous efforts to clear of our town lots and build thereon before the expiration of our six months. The land is very heavily timbered here and requires considerably more labour to clear it off and put it under cultivation than on the Coast
