My Dear Sir

I thank you for your favor of the 13th inst & the information you are pleased to give concerning Mr Bryan. I was pleased with the interview I had with him and Dr Lugenbeil speaks of him in terms of commendation. I shall write to Mr Copperifer and suggest that if employed in Pennsylvania he might be useful. We cannot send him to States where there are State Societies, without their approbation. I should regret to think his political views would be found an insuperable objection to him, in such ~~places~~ ^{places} in your State, as those where he is well known, & might he not labor
