Dr James Hall.

Dr Sir - I received a letter about the 9 of April from Wiley Brown who now lives in Africa, stating he had sent me a small box of African coffee which I regret has not come to hand, I have just received a letter from Messrs Griffith & Wilson saying if I would write to you it was possible you could inform me. If you should be fortunate enough to find it please send it to Mr Griffith & Wilson & if it can be found and any freight to pay it shall with pleasure be done.

Respectfully
