

II A 23

142 Colou. Office, Boston, July 2, 1857
Dr. James Hall

Dear Sir - Your letter of June 30 is received this morning. Of course, you should take it for granted that any services in my power are at your command, and indeed at the command of any one for the good of the good cause.

I have had several applications in favor of colored law students, and have learned nearly what can be promised. What can be done, must be settled for each one after his arrival.

The best way is, for Draper to visit Boston, bringing letters from his law teacher, or other lawyers or gentlemen who know him, to the Hon. Richard Fletcher; or Hon. Joel Giles; or Hon. Wm. J. Hubbard, or Francis O. Watts Esq; or almost any other respects
