Dr James Hall

Dear Sir

Your favors of July 30th and 31st came to hand yesterday — the former enclosing a letter for your daughter, which I delivered together with one directed to her. The latter enclosing a letter to Mr Wm M. Raison — I called on him yesterday but he was out of town — will deliver it to him as soon as he returns. Your drafts have been paid & the Union Bank Check Book is locked up. On Saturday I recd a letter from the Bank, signed by J. J. Gibson requesting Mr Mickle to stop the payment of two drafts of the date Mch 31st in favor of D. P. Tilton for $150.00 and one date Feby 28 in favor of P. P. Wagner for $100.00 which drafts were paid to Mr M. supposed and lost by him. Mr Mickle attended on 5th inst. Mr Gibson's letter was shown to him & he stated that he had given directions, which I intended to have carried into effect on Monday last, but was prevented by the storm. I have now written to Mr Mickle & requested him to take up the drafts & send them to me by mail. I have also written to Mr Gibson informing him that the drafts have been paid & requesting him to withdraw his letter to the Bank.
