

Your strength needed because
of the "dragons & owls" who have
gathered around! I am sorry
for it you — but how can it be
helped — Poor Bowens finger.

How long are you in for it? If
you intend staying the rest of
the week I think I will go
down Friday morning, and
encourage you! It does not
seem to me possible that you
shall fail to get your bill this
if you only stick to it! But it
will never get this if you do not.

I observe Wier's reported a bill
yesterday relative to free negroes.
I ask leave for Bowens. I think
Bowen has not been open fair with
us — he is something of a fox —
If he plan or bill is printed, do please
send me a copy — also the free negro
bill —
