

What I should be to the
it will you please give di-
rections where he shall stop.

My Candidate is a man
about 25 years of age fine
figure, mulatto, a very
pious & consistent Christian
& will have license to preach
& supercede. And will probably
soon go into the regular
work of the ministry.
He has the confidence of all
who know him. Has some
education, writes a good
letter fit to be read in
public. I have some letters
from him that would do
credit to the head & heart
of any man. I expect we
shall receive an answer at
once.

Yours Respectfully
