

II A 24

Colo. Office,

Boston Oct. 7, 1858

Dr. James Hall,

Dear Sir,

Among our
candidate emigrants for Siberia,
is one Mr. Simpson of
28 years, who appears to be
an experienced sailor. He
says he has spent the last
16 years of his life at sea,
and considers himself well
versed in navigation.

This fact, Mr. Tracy thinks
better be communicated to
you, as said emigrant would
like a permanent place on
the M.C. Stevens, or some Sibe-
rian coasting vessel.

He is thoroughly black, and
seems to be a man of sense.
