

Colon. Office, Boston Dec. 15. 1858
Dr. James Hall

Dear Sir: Mr. Brewster pro-
poses, if he and I go to Washington
in January, that we try to see you
on the way. It would be very agree-
able; but how, exactly, shall we
find you?

II A 24
You have traded all along the
coast, I believe, as far as Calabar,
and the bannarous. Is there a
place, some where from Lagos to
the Benue or Formosa River,
where our friends who are about
to colonize Yoruba, can find
and purchase a good landing
place, and have it for their own?
How would Formosa River do? and
can they get it? I hope you are
well enough to answer without
trouble. Yours, as ever,
Joseph Tracy
