My Dear Sir

If you have erred in publishing the Report, please change the circulation upon yourself or me, but upon the Board of Directors. Certainly I would publish in no other paper at such price. Please favor me with a copy of the American with Report, as I might as soon look to find an Andromeda from the Rocky Mountains, as for a copy of that paper in this city - though the same is every where. Our friend Mr Mc Lann is still at his house, though better. I am very sorry of the necessity of his going south.
