

P.S. Two respectable Colored men
Messrs Campbell and Drummell
are here, with letters from Dr Paine
Dr Robinson Mr Cooper & others
to the President, Mr Leonard
Eli Thayer & others to obtain
countenance & aid in going
out to examine & explore
Africa. Their views are mainly
towards Gambia, but I think
they will prefer to go to Liberia.
They are sensible men, and two
of four who intend to go out on
this exploration. A number of families
apply to go to Gambia from Liberia.
